

# MAXSTRETCH<sup>®</sup>

The Cost Saving Expert

## Go Invisible Be Invincible

### Introducing **MAXSTRETCH STEALTH**

Maxstretch Stealth is a super-stiff, low-gauge, high-opaque, green film optimal for loading containment. Comes with 30% recycled content, this green film is easy to wrap to achieve excellent load retention. With less stretching needed, the rigid film gives you great wrapping consistency. The high opacity offers significant brand differentiation and UV protection for up to 312 hours while protecting your privacy. What's more, it gives you an overall reduced cost of wrapping per pallet because you don't have to increase your resolution to increase the obscurity.
