

The Incredible Xecure Load Solution

Xecure is designed to adapt most of the variables but not scarify the load stability and safety.

- ✓ **Absolute perfect match for most of the arm wrapper and turn-table wrapper**
- ✓ **Achieve the highest holding force with thinner gauge**
- ✓ **High tear resistance to avoid film breakage at sharp corner**
- ✓ **Quality is consistent and high traceability**

HOW? Majority wrappers in the market able to stretch from **150% - 200%**

Xecure vs Normal stretch film
